

ALL CHRF FACULTY AND STAFF ARE INVITED TO:

Research IT Clinic / Open House

***Hosting Applications in the New Research Network:
Tools and Options for Hosted Applications***

Presented by:

**Nicholas Hunt, CISSP, CISA
Research IT Security Officer**

Tuesday, October 18, 2011
11:00 AM - 12:30 PM
S1.204

These monthly presentations are targeted to those faculty and staff that use electronic data collection in their research programs. Each one will be followed by a forum discussion open to all areas of Research IT and Informatics support. Learn more about currently available services at <http://bmi.cchmc.org>.

Pizza and refreshments will be provided
