

Cincinnati Children's Hospital Medical Center's ("CCHMC") Confidentiality and Network Access Agreement

Version: 2

STATEMENT OF POLICY

REMINDER: It is the legal and ethical responsibility of all CCHMC Information System Users to use personal and confidential patient, employee, and CCHMC business information in accordance with the law (including federal HIPAA/HITECH laws and regulations) and CCHMC policies (including the CCHMC Code of Conduct and Information Protection, Security, and Integrity Policy Manual) and to preserve and protect the privacy rights of the subject of the information. It is your responsibility to review those institutional requirements and maintain compliance with them. Should you have any questions or concerns, or should you need to report a suspected impermissible disclosure of confidential information (including PHI), please contact the CCHMC Integrity Helpline at 1-866-856-1947 or www.cchmc.ethicspoint.com promptly.
